MAISON SBCG

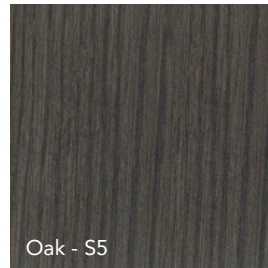

Provence

Provence

Named for the region that inspired its design, the Provence Coffee Table blends rustic character with modern refinement. Its generous surface and wide, chamfered legs evoke the grounded simplicity of southern French architecture, while clean lines and subtle detailing keep the silhouette contemporary.

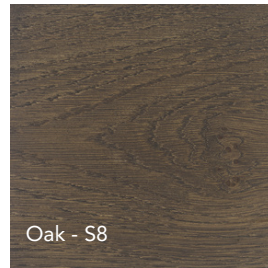

Crafted in solid oak or walnut and available in all our signature finishes, Provence brings a sense of relaxed sophistication—equally suited to coastal homes, urban interiors, or any space that values warmth with a modern edge.
