Deborah Bench

Deborah Bench

Originally conceived as a dining bench, the Deborah model has evolved into a versatile seating solution suited to a range of interior settings. Its clean lines and understated profile make it well-suited for use in entryways, beneath windows, or at the foot of a bed, in addition to its intended placement alongside a dining table.

Standard lengths are available in 160 cm and 180 cm. The bench is also well-suited to custom sizing, allowing for tailored fit within architectural constraints or spatial compositions.

The solid wood base is crafted in oak or ash and offered in four standard finishes. Upholstery requires 4.5 meters of fabric, available from our curated textile collection or supplied as C.O.M. (Customer's Own Material).

Two Options + Fully Customizable | 160 or 180 Lengths x 60 x 73 cm | 63/71 x 23.6 x 29 in.
