50 x 40 x 55cm | 19.7 x 15.8 x 21.6 in.

Both 1 drawer and 2 drawer versions are the same overall dimensions.

MAISON SBG

Recamier

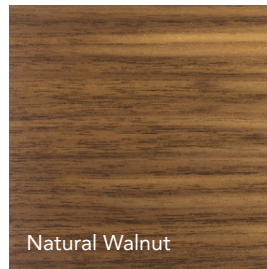

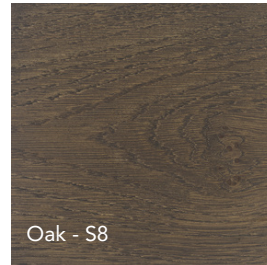

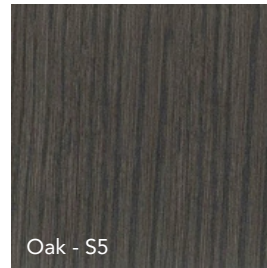

Recamier

The Recamier side tables are defined by balance and precision. Clean lines, softened edges, and finely crafted proportions give the collection its quiet strength. Available in both one- and two-drawer versions, the design offers versatile storage within a compact footprint.

Each night table is available in a left or right configuration, allowing for harmonious pairing or confident standalone use. Subtle geometry and integrated drawer fronts lend the piece an understated, architectural presence.

The core design has also been adapted for larger pieces, including storage cabinets and entertainment units, carrying over the signature elements of rounded corners and slightly extended drawer faces.

Crafted in oak or walnut, every piece is available in any of our signature stains.

Both 1 drawer and 2 drawer versions are the same overall dimensions.
