Gustav Console

Gustav Console

With its slender frame and strong architectural lines, the Gustav Console draws subtle inspiration from neoclassical forms, interpreted with contemporary restraint. The trestle-style base and gently rounded edges reference traditional joinery, reimagined with clean, balanced proportions. Gustav offers versatility in material expression—crafted in solid oak with a choice of our signature finishes, or with a honed marble top for a more refined touch.

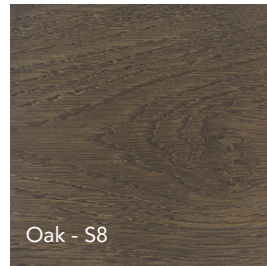

Offered in three- or four-drawer lengths, it's equally suited to an entryway, hallway, or positioned behind a sofa. A quiet statement piece that brings structure, warmth, and function to any setting.
