# Hugo Chair

A study in refined proportions and material nuance, the Hugo Armchair embodies understated elegance with a distinct architectural edge. Its slender solid wood frame is both sculptural and sturdy, tapering effortlessly into softly contoured armrests. The backrest, defined by handwoven Danish paper cord, introduces a tactile rhythm that contrasts beautifully with the upholstered seat, offering both comfort and visual texture.

Designed to move seamlessly between dining spaces and quiet corners, Hugo is a modern heirloom—crafted with precision, grounded in tradition, and elevated by its thoughtful restraint.

Hugo is available in Ash or Oak in all our signature finishes.
